Hi Elise and Lorena,

So I talked with Joe from 412 7th St. (at Mesa), and he is open to meeting to discuss his issues. His main one is moving the PortaPotties during First Thursdays. I think our office can handle his tree issue.

It could be something done over the phone, but since he is looking for a tenant it might be good to meet with him and establish a relationship.

He can meet at 4 pm on most days. Would that work?

Thanks,

Nate
